

ST. OSWALD'S WAY CERTIFICATE RUBBING SHEET

To receive a special commemorative certificate to show that you have completed St. Oswald's Way, you need to make a 'rubbing' at each of the six St. Oswald's Way panels that can be found along the route. There is a unique rubbable section in the bottom right-hand corner of each panel. Simply make your rubbing in the correct place below. The locations of the panels are shown overleaf.
